Compass Medical:
helping you *navigate* the
medical marketplace

Leverage the OEM trained remarketing specialists at Compass Medical Equipment

Compass Medical's Total Equipment Support Services:

Equipment Trade-in Assessment

As an OEM rep in the medical imaging equipment space, your mission is to deliver client-based imaging and appropriate financing solutions under the most challenging of economic times.

No easy task in today's competitive market.

Working with Compass Medical will allow you to focus on your core business while we support you with ours.

Compass Medical has a long track record of successful partnerships with OEM's and finance companies both large and small.

We deliver results throughout the sales cycle. Let Compass Medical support your sales efforts with:

- Equipment trade-in's and outright purchases of **CT, MRI, X-ray, PET/CT, Mobiles and much more.....**
- Lease and Loan structures for credit qualified customers
- Low cost pre-owned systems for your multi-modality opportunities
- Professional, reliable and environmentally conscious equipment removal and disposal

"Leading the medical equipment industry for more than 10 years"
